El Paso County Fairgrounds
Calhan, CO**

FAMILY CAMP VISION

The 2016 Family Camp is a fun and interactive community event hosted by the Pikes Peak Council, Boy Scouts of America, to reintroduce scouting to the community while celebrating the Pikes Peak Council's 100th anniversary.

PLAN TO ATTEND

Save the date and plan to attend. Overnight tent camping spaces are available, and there are even a few RV spots. This event is open to the public, but there will be separate camping areas for scouting units and family campers. If you bought a camp card – your admission on Saturday the 15th is already paid for. There will be special events Friday Night and Sunday morning for the scouting community. Invite your families and friends – make it a huge event while we celebrate 100 years of scouting in Pikes Peak Council. Online registration will begin in July.

PARTICIPATE

Scouts, units, leaders, and charter organizations are invited to help make this Family Camp an exciting and interactive event to showcase scouting to the local community and share your favorite activities with others. Sign up to lead an event or activity – new ideas welcome (*see other side*)

VENDORS

Do you have a business or know someone that does that would like to demonstrate their wares or maybe provide a free, interactive event? If a vendor wants to sell items or services, for only \$100 they can have a space. If they just want to share an activity or provide a free service – space is free.

GET INVOLVED IN THE PLANNING

It takes lots of work and planning to put a fantastic event like this together, so if you have the time and energy to help the Family Camp Planning Committee, we would like you to join us. Besides planning individual events, we have a place to put your passion into action on one of our teams: Publicity, Finance, Participation & Registration, Physical Arrangements (logistics and support), Health/Safety/Security, Programs (events, displays, crafts, bands, etc.), Vendors

For more information, visit www.pikespeakbsa.org/famcamp or contact Glenn Barr, gjb2000@gmail.com / (719) 244-3502 (please leave message).
