

2013 Philmont Adventure Camp Agreement

My Scout _____ has signed up for the 2014 Philmont High Adventure Camp from June 10 – 22, 2014. The cost for the Camp is \$800.00. There will be other expenses to cover the transportation and supplies that will be needed for a successful adventure.

The following payment plan has been set up and needs be followed to allow the Troop to make payments to Philmont. Your Scouts spot is not guaranteed until the Initial Deposit is received.

Initial Deposit – January 15, 2013	\$ 100.00
Second Payment – September 2013	\$ 350.00
Final Payment – February 2014 Court of Honor	\$ 350.00

The Troop Treasurer will send out reminders for the payments as they become due. Please indicate if you want the payment taken out of your Scout's Account.

There are Camperships offered for the Camp by the Pikes Peak Council. If you are interested in applying please let the Scoutmaster or Treasurer know.

I understand that all payments made for camp are non-refundable. In the event that your scout is unable to attend you may find another scout to take their place if the Troop has fulfilled all of the 7 mandatory spots. When the replacement has paid in full you can be refunded.

I acknowledge the commitment to Philmont High Adventure Camp 2014 and agree to make the payments according to the schedule spelled out above.
