# FREEZ-O-REE

## Scouts vs Wild

## Klondike Derby

Scout Leaders, Parents, and Participants,

The United States Air Force Academy Eagles Club is proud to host the annual Freez-O-Ree. We extend a “warm” welcome to all of our guests and acknowledge the extraordinary cooperation and efforts of the Air Force Academy and the Pikes Peak Council. Without the continued support from these groups, this event would not be possible.

We are honored to uphold a tradition of excellence at this year’s Freez-O-Ree, providing friendly competition, adventure and life-long memories for the youth that attend. We strive to improve this event each year, so if there is anything that the Air Force Academy or Pikes Peak Council can do to make your visit the more enjoyable and memorable, please let us know.

ALEX C. HOLLENBECK, CAPTAIN, USAF  
Officer-in-Charge, USAFA Eagles Club

## Scout Leader Notes:

### \*\*\*Vehicles\*\*\*

One vehicle and one trailer will be allowed in each Troop campsite. All other vehicles need to park in the designated parking area next to the campgrounds. It is preferred, however, that Troops consolidate gear into as few vehicles as possible. Please direct questions to Cadet Ben Flanagan via email at [C19Benjamin.Flanagan@usafa.edu](mailto:C19Benjamin.Flanagan@usafa.edu).

### \*\*\*Patrol/Troop Specific Equipment\*\*\*

**IMPORTANT:** Troops will need to bring a sled fabricated prior to the event by the Scouts, in line with this Klondike style event. Troops will be required to have a minimum of one sled, and can have as many as one per Patrol (up to 3). The sled should have the ability to be pushed and pulled across snow or dirt because Scouts will be required to bring their sled to each event station. The weight of the sled should be considered due to certain station challenges the Scouts may encounter. Sleds should also be capable of hauling necessary equipment for event stations (as identified below in the event station descriptions). Troops that do not bring a sled will risk losing points at initial check-in and sled-specific events.

### \*\*\*Saturday Activities\*\*\*

**IMPORTANT:** Each Troop/Patrol will be responsible for going to as many stations as possible, in no particular order. Each station will award points that will contribute to an overall score, and the top three Troops/Patrols will be recognized at the awards campfire. There are ten stations that are subject to change but currently planned to include:

1. Scouts vs. Blades – accuracy and safety with axes, saws and knives (equip: N/A)
2. Scouts vs. Leadership Challenge – reaction course (equip: N/A)
3. Scouts vs. Terrain – sled race (equip: troop sled)
4. Scouts vs. Fire – fire safety and fire building (equip: matches and fire building materials)
5. Scouts vs. Wild – wilderness survival skills (equip: shelter building supplies)
6. Scouts vs. Rope – lashing skills (equip: 50 feet of 550 cord)
7. Scouts vs. Injury – first aid skills (equip: first aid kit and splinting materials)
8. Scouts vs. Compass – orienteering skills (equip: compass)
9. Scouts vs. BSA Handbook – knowledge of Scout skills (equip: Boy Scout Handbook)

\*\*\*Bonus Station: showcase of different Academy clubs and teams throughout the day

Each of the nine stations will be competitive, and Troops should prepare by reviewing axe/knife safety, fire safety, wilderness survival, first aid, orienteering and pioneering. Please ensure you bring the required supplies for each station.

**\*\*\*Saturday Lunch\*\*\***

Time has been allotted for Troops and Patrols to prepare their own lunch meals. Please be aware that events will kick-off again at 1300 hours, and Troops should be cleaned-up and out of camp by then.

**\*\*\*Saturday Scout Leader Cook-Off\*\*\***

Since this event was cancelled last year due to high winds, we will again plan to host an adult-only soup cooking competition. Those participating need to arrive with their soup at the Hq area at 1730 on Saturday. Ingredients will not be provided.

**\*\*\*Saturday Scout Leader and Senior Patrol Leader Cracker Barrel\*\*\***

After the awards campfire, the Eagles Club will host Scout Leaders and Senior Patrols Leaders for a cracker barrel in the Hq area. Plates, cups, and eating utensils will be provided.

***\*\*Reminder\*\****

The event time or location may have to change at any point due to military necessity. This event is not military training, representation of military training or simulation of military training but is a Boy Scouts of America Event.

**Rules of Engagement:**

*Any participant (or visitor) who does not comply with these rules will be subject to dismissal.*

**Boundaries:** Stay in the designated event area and away from the main roads for safety purposes. The areas to be used by Scouts will be outlined in the map provided at registration.

**Latrines:** Portable latrines will be located throughout camp. Please use them. Falcon Stadium indoor bathrooms will be strictly off-limits.

**Accountability:** Each Scout Leader, Senior Patrol Leader, and Patrol Leader will maintain accountability at all times. Upon arrival, Troops and guests will sign in at the Registration Table in the Headquarters (Hq) area. Anytime a Scout or guest enters or leaves the event area, they must check in/out at the Operations Tent (Ops Tent). It is very important that we keep an accurate attendance list at all times in case of an emergency.

**Emergency / Questions:** The Operations Tent (Ops Tent) is set up as a central point of contact for questions and emergencies.

**First Aid:** There will be a heated first aid tent (next to the Ops Tent) for emergencies.

**Water:** There will be no running water available. Troops will have to practice water conservation and bring enough water for cooking and cleaning needs for the entire weekend.

**Cooking/Camping:** Troops are required to bring all of their own equipment and camp inside their designated areas, practicing “leave no trace” camping techniques. Troops may be held liable for excessive damage to their areas.

**Fires:** Fires will be allowed depending on the Air Force Academy Fire Danger Level. For safety and environmental impact reasons, all fires must be above ground (in a fire barrel, etc.). All units must bring their own fuel and fire container. A limited supply of burn barrels will be available.

**Garbage:** Please follow the rule, “what you take in, you take out.” Part of the check-out list will include policing for garbage. If necessary, reference the Outdoorsman Code per the Scouting Codes of Conduct. A single bear-proof dumpster will be available in the campground area.

**Visitors:** Visitors are welcome to observe daytime activities, but please remember that access for visitors who do not have a Department of Defense (DoD) identification (ID) card is limited to 0900 through 1700 hours via the USAFA North Gate. Visitors without DoD ID cards at other than designated visitor hours must inform the Eagles Club at least two weeks in advance in order to be placed on an Entry Authorization List (EAL). DoD ID cardholders may enter through the North Gate between 0600 and 2200 hours or anytime through the 24-hour South Gate.

**Camp Rules:**

1. Do not dig holes, trenches, etc.
2. Do not leave without checking in/out at the Ops Tent
3. Each unit Scout Leader is responsible for their unit’s medication and insurance documentation
4. Absolutely NO alcoholic beverages
5. No individual sheath knives, axes, hatches, etc. (authorized one (1) axe, hatchet, and saw per Patrol for use in a Troop designated axe yard)
6. Scouts and leaders must ensure that everyone has proper equipment for winter camping

### Directions to the Freezoree and Check in Procedure:

North Gate visitor hours are 9 AM to 5 PM for drivers who do not have Department of Defense (DoD) identification (ID) cards. Remember, visitors passing through the North Gate at other than designated visitor hours must inform the Eagles Club at least two weeks in advance to be placed on an Entry Authorization List (EAL). If any issues present themselves during the event, please call Cadet Ben Flanagan at 774-217-1142.

#### Step 1:

Enter through the North Gate, off I-25 at exit 156. Show a valid driver's license or DoD ID card.

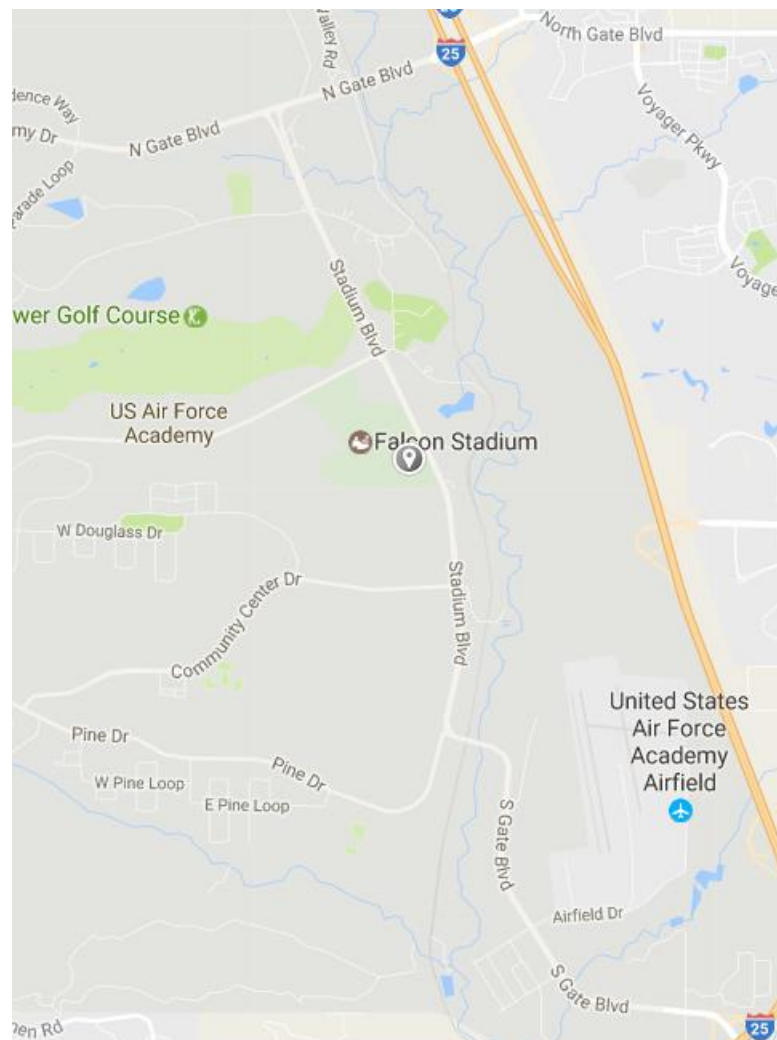

#### Step 2:

Take a left at Stadium Blvd after the B-52 static display. Continue for approximately two miles.

#### Step 3:

After passing two streets on your right (Parade Loop and Academy Drive), continue past the stadium on your right. Turn right into the parking lot, and check-in at the Registration area.

**NOTE:** Drivers with a DoD ID card may enter through the 24-hour South Gate at any time, continuing on Stadium Blvd and passing Community Center Drive before turning left into the Falcon Stadium parking lot.

### **Release of Liability**

Each Scout will need to have a parent or guardian completely fill out a release of liability waiver before participation in any activities. These forms are the last two pages of this document. Bring these waivers with you to check in.
