AND INDEMNITY AGREEMENT**

**PLEASE READ CAREFULLY BEFORE SIGNING.**  
**THIS IS A RELEASE OF LIABILITY AND WAIVER OF CERTAIN LEGAL RIGHTS.**

In consideration for my being permitted by the Grays & Torrey's Huts (Bryan Kyle Burris, "Property Owner") to use the hut(s) I acknowledge and agree to the following warning, waiver, release and indemnity.

I acknowledge that skiing and wilderness travel in the winter have inherent risks, hazards and dangers for any skier, that cannot be eliminated, particularly in a wilderness environment in mountainous terrain. **I understand that these risks, hazards and dangers include without limitation:**

- (1) Risks arising from skiing in areas that are not patrolled, where snow conditions vary, are unpredictable and change, where objects are not marked and hazards may not be visible, where slopes are not groomed, maintained or controlled, where weather is changeable and unpredictable and where avalanches occur;
- (2) Risks involved in decision making and route finding in a wilderness environment in mountainous terrain; and risks of getting lost and of not reaching the hut;
- (3) Risks arising from travel and overnight stays at altitudes ranging from 10,000 feet to 11,300 feet above sea level including without limitation, acute mountain sickness, high altitude cerebral edema, high altitude pulmonary edema, and other effects of altitude and altitude-related sickness;
- (4) Risks arising from the use of remote, simple huts with no communication systems in a wilderness environment in mountainous terrain;
- (5) Such other risks, hazards and dangers that are integral to the sport of skiing and to skiing and wilderness travel in the winter in a wilderness environment in mountainous terrain.

I have read the information provided to me by Grays & Torrey's Huts aka Kyle Burris through my group leader concerning the use of the Hut. I also acknowledge that Hut Operators and their staff have been available to more fully explain to me the risks, hazards and dangers of skiing, winter travel and use of the Hut. I understand that skiing to use the Hut in a wilderness environment in mountainous terrain may require good physical conditioning and a degree of skill and knowledge different from other types of skiing. I understand that I have responsibilities as a skier and backcountry traveler in the winter. **I am voluntarily using the Hut with full knowledge of the inherent risks, hazards, and dangers involved and hereby assume and accept any and all risks of injury, paralysis or death.**
